January-February 2008

Approval of Agreement Awards Over \$150,000 for Fiscal Year 2007-08

Introduction

Section 610 of the CTC Policy Manual (Contract Authority) requires that agreements or contracts of \$150,000 or more be approved by the Commission on Teacher Credentialing (Commission). This agenda item seeks the approval for the Executive Director to authorize the agreement as presented in this agenda item that is in excess of \$150,000.

Background

As part of daily operations Commission staff has to work with various external vendors to complete some of the tasks in order to access needed expertise in the field. When an agreement, of as specified in Section 610, exceeds \$150,000 Commission staff must seek approval from the Commission prior to entering into the agreement. Agreements below \$150,000 are currently delegated to the Executive Director for approval.

Requested Action by the Commission

At this time, Commission staff seeks the Commission's consideration and action on the one Examination agreement as follows:

The current contract for administration of the CTEL examination will expire in July 2008. All of the other Commission-owned examinations are currently covered within a single administration contract that runs through October 2010. Commission staff is requesting a two-year extension of the current CTEL contract in order to bring this examination into the same contractual timeline as the administration of the other Commission-owned examinations. It is anticipated that a new Request for Proposal for examinations administration will be issued in fall of 2009 that will include the CTEL, CBEST, CSET, and RICA examinations. A two-year extension of the current CTEL administration contract would allow for the consolidation of all of the Commission-owned examinations within a single administration contract that would begin in late 2010.

Recommendation

Commission staff seeks the approval for the Executive Director to execute the agreement as presented in the agenda item.
